Empowering With Ingredients

ABOUT KARNATAKA CHEMICAL INDUSTRIES

Established in 1974, Karnataka Chemical Industries (KCI) is a leading division of the Marlecha Group, specializing in the procurement, distribution, and trading of raw materials for the Food, Pharma, Nutraceutical, Feed, and Solvent industries. With operations spread across the whole Indian Subcontinent and also catering to foreign customers, we deliver a wide range of high-quality ingredients, backed by global sourcing, stringent quality control, and reliable infrastructure.

For over five decades, KCI has built enduring partnerships by combining innovation, speed, and a commitment to consistent excellence.

“

Since our inception, Karnataka Chemical Industries has grown on the pillars of trust, quality, and service. As we evolve, our focus remains on building meaningful partnerships, embracing innovation, and delivering value that drives our customers' success.

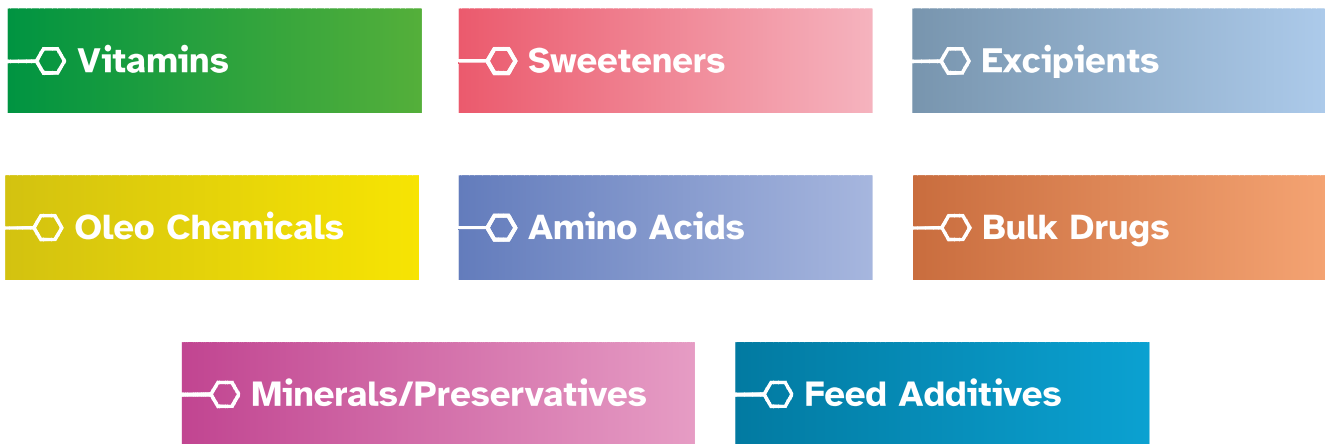

K Sampath Raj Marlecha

Chairman - Marlecha Group

Our Products

At Karnataka Chemical Industries, we offer a comprehensive portfolio of premium-quality raw materials catering to various industries like Pharma, Food, Feed & Nutraceuticals.

Our product categories are sourced from trusted global partners and customized to meet your evolving formulation needs.
